

# THE PERFORMANCE ROOM

## 1) 12 weeks of success

| By the end of my first 12 weeks in this role: |                       |                    |
|---|-----------------------|--------------------|
| Key focus area                                | Result I'm aiming for | Importance ranking |
|   |                       |                    |
|   |                       |                    |
|   |                       |                    |
|   |                       |                    |
|   |                       |                    |
|   |                       |                    |

## 2) Connect and share

| Additional views from my meetings: |                     |                    |
|------------------------------------|---------------------|--------------------|
| Key focus area                     | Things I need to do | Importance ranking |
|                                    |                     |                    |
|                                    |                     |                    |
|                                    |                     |                    |
|                                    |                     |                    |
|                                    |                     |                    |
|                                    |                     |                    |

# THE PERFORMANCE ROOM

## 3) Taking action and delivering success

| Key focus area | Things I'm actually going to do | Who else is going to be involved? |
|----------------|---------------------------------|-----------------------------------|
|                |                                 |                                   |
|                |                                 |                                   |
|                |                                 |                                   |
|                |                                 |                                   |
|                |                                 |                                   |
